*** FALL NEWSLETTER ***

Dear Members,

I hope everyone enjoyed the summer at the cottage. This brief newsletter is primarily to notify you of the water level situation this fall.

Lake Levels

The Moira Conservation Authority has informed us that they intend to complete the stop log replacement at our dam this fall. Their work should begin just after Thanksgiving weekend (about October 10th) and the water level is expected to drop considerably - possibly even further than it did last fall. The M.C.A. has assured us that this work is being carried out with the approval of the Ministry of Natural Resources with respect to the fish population, preservation of the spawning beds etc.

Please Take Note: It may be advisable to take your boats, floating docks etc. out of the lake for the season by Thanksgiving weekend.

Membership

To date we have received dues from 156 members for the 1989 Season.

Enclosed in this newsletter is a list of paid up members. If you are not on this list and wish to remain a member, please return the coupon along with your \$10 dues to our address in Cloyne. Thank you.
