

DEAR MEMBERS,

I hope that the winter months were good to you. We certainly had our share of snow. Now that winter is behind us, it's time for some summer fun.

Many thanks to the past executive for all their hard work. And to past president Diane Tate for her contributions and dedication.

Your executive met on May 23rd for the spring meeting to plan this summer's events.

WATER SAFETY

We have placed the buoys again this year and would appreciate it if everyone would take responsibility for marking any hazard areas located near their cottage. Starting with the 1993 boating season there is a new speed limit in effect- 10 km/h maximum within 30 metres of shoreline. In the case of waterskiing, an exception has been made to allow for taking off and landing a skier at a designated location. Courtesy to others will keep our lake a safe place for everyone.

TRAILS END STORE

For your convenience, the store at Trails End will be open 7 days a week for groceries, gas and fishing worms. The hours are below.
Monday to Saturday 8:00 am - 8:00 pm
Sunday 9:00 am - 4:00 pm

ONTARIO WILDLIFE HOTLINES!

Unfortunately, many cottagers find sick, injured or orphaned wild animals every year. Because of a personal experience with a newly born raccoon, I'm glad to see the new hotlines are available and want to pass on the information (taken from Cottage Life Magazine).
