MEDIA RELEASE

FOR IMMEDIATE RELEASE:

October 2, 2018

FALL DAM DRAW DOWN STARTING OCTOBER 9, 2018

Quinte Conservation will be conducting the annual removal of stop logs in the Moira and Napanee regions on, or after, Tuesday, October 9, 2018. Shoreline residents can expect changing water levels above and below the following structures:

- Skootamatta Lake Dam
- Downey's Rapids Weir below Moira Lake
- Caton's Weir below Stoco Lake
- Lingham Lake Dam
- Deerock Lake Dam
- Upper Arden Dam
- Middle Arden Dam
- O'Hara Mill Dam
- Laraby Rapids Dam
- Varty Lake Dam
- James Lazier Dam
- Bellrock Dam
- 13 Island Lake Dam
- Second Depot Lake Dam
- Third Depot Lake Dam

Property owners upstream from these structures can expect water levels to decrease to normal fall levels and should ensure that all boats, floating docks, etc., have been removed before Monday, October 8, 2018.

Quinte Conservation is a community-based environmental protection agency. It serves 18 municipalities in the watersheds of the Moira, Napanee and Salmon Rivers and Prince Edward County. It provides cost-effective environmental expertise and leadership. Quinte Conservation's main goal is to create a sustainable ecosystem where people and nature live in harmony. More information about Quinte Conservation is available at www.quinteconservation.ca.
